

Susan G. Komen Race for the Cure®

As the world's leading breast cancer organization, Susan G. Komen for the Cure® is committed to ending breast cancer forever. On March 12, 2011, I will join thousands of others in the annual Susan G. Komen Southwest Florida Race for the Cure®. By making a donation on my behalf, you are supporting local breast cancer screening, treatment, education and outreach along with cutting edge international research that will lead us to a world without breast cancer.

- Komen is a 4 star rated charity by charitynavigator.org.
- 75% of our net income remains in Southwest Florida to help fund breast cancer screening, treatment and education.
- 25% of our net income supports groundbreaking Research Grant Programs, which are so important in energizing scientists to finding cures.

It is likely you know someone who has been diagnosed with breast cancer. Perhaps you or your spouse, a relative, co-worker, neighbor, friend, or someone in your life's circle has heard the words, "You have breast cancer."

You see, breast cancer doesn't discriminate; anyone can be affected no matter what race, religion, and social status.

Please help me raise funds for this important cause through your financial support. Online donations are simple, and the site is secure. Please visit my [fundraising page](#) to make a tax-deductible donation online and register for the Race.
